REGULATIONS FOR STEAM BOATS,
And other Vessels plying on the River Clyde, 30th October, 1816.

I. That the Owners, Masters, Pilots, and Crews of the Boats, navigated by the power of Steam, plying between Glasgow and Greenock, shall forthwith lodge, with the Harbour-Master of Glasgow, the name of the Vessel, and a list of the names and places of residence of the said Owners, Masters, Pilots, and Crews; or, if the management is in the hands of a Committee of Owners, of the names of the Members of such Committee, who shall be responsible for the strict observance of the present regulations; and they shall renew the list from time to time when any change takes place in the said Owners, Committees, or persons so employed, under the penalty of forty shillings for each offence.

II. That for the accommodation of Passengers, a particular part, or parts of the Quay of the Broomielaw of Glasgow, shall in future be allotted by the Harbour-Master, for the use of the Steam Boats plying on the River, which Boats shall get inside births or stations nearest the Quay, according to the dates of their respective arrivals; and the Masters and Crews of the Boats lying

nearest the Quay shall give free access to Passengers to and from the Boats lying in the outside births or stations, as also free access for the conveyance of Luggage and Coals to and from said Boats, under the penalty of forty shillings for each offence

III. That when Steam Boats attempt to pass each other from astern, the Boat which sails slowest, shall give way to the larboard side, for the faster sailing Boat to pass, when the latter comes within thirty yards of the former; and shall offer no obstruction, by crossing the channel, or otherwise, to the free passage of the Boat astern, under the penalty of five pounds sterling, for each offence, besides damages.

IV. That when the said Boats, sailing in opposite directions, meet, each shall keep to the larboard side, so as to afford all possible facility to each other in passing, under the like penalty of five pounds for each offence, besides damages.

V. That vessels of any description, lying aground or at anchor in the shallow or narrow parts of the River, shall not lay their anchors in the deepened channel, unless absolutely necessary; and if they are obliged to do so, their buoy ropes shall not exceed three fathoms and a half, under a penalty of forty shillings for each offence. And, if they take ground across the channel, they shall keep their booms loose, and take in their bowsprits, under the like penalty of forty shillings for each offence.

VI. That none of the said Steam Boats shall cross the tracking or towing lines of the vessels plying on the River, where there is room to pass on the off side, under the penalty of five pounds for each offence.

VII. That none of the said Steam Boats shall ply in the twilight or in the dark, without having lights a-head fitted up properly, and without having one of the crew stationed at the how of the Boat, as a look-out, to give notice in due time of any obstruction or danger. And all vessels whatever, lying at anchor or aground, in the River and Frith of Clyde, shall, when it is dark, have lights hung out at the part of the Vessel nearest the deep water, under the like penalty of five pounds for each offence, besides damages.

VIII. That in all cases, where either Passengers or Goods are to be taken in by, or landed from, such Steam Vessels, by means of small Boats, of any description, the Masters, Pilots, or other persons having the charge of the Steam Boats, shall stop the paddles of the Steam Boats in proper time, when these small Boats approach them, and shall keep the paddles stopped until the small Boats whether with or without their fare, are completely clear off, and beyond the influence of the Steam Boats, or the surge occasioned by them; and shall, in general, be cautious to prevent all violent collision, or entanglement, between the Steam Boats and the small Boats, and all crowding or overloading of these small Boats: And all Masters, Pilots, or other persons having charge of Steam Boats, shall, for every breach of this Regulation, be liable in a penalty of forty shillings, besides damages.

IX. That no person on board a Steam Boat shall presume to give any order or direction to the crew, or any of them, except the person who has the command of the Vessel at the time, under the penalty of forty shillings for each offence.

X. That no ballast, ashes, earth, rubbish, or stones, shall be put overboard of any Vessel into the River between the Broomielaw and Gourock Bay under a penalty of five pounds sterling for each offence.

XI. That a printed copy of these Regulations shall be affixed upon a conspicuous part of both the Cabins of each Steam Boat plying on the River Clyde, under the like penalty.

XII. That the damages incurred may be sued and recovered at the instance of any party interested, and the penalties at the instance of the Procurator Fiscal of Court.
